

Ginger & Turmeric

FIELD DAY

November 16, 2017

8:00 am - 12:00 pm

VSU Randolph Farm

4415 River Road

Petersburg, VA

Ginger and turmeric have been used widely throughout history in many different types of cuisines for their spice and flavor, and these spices may also provide a number of health benefits.

Learn more about the production and marketing of ginger and turmeric and see how to harvest, clean and package these spice crops.

This educational event will include classroom presentations, a grower panel discussion, a culinary demonstration, and a field visit.
